Our Catholic Community desires to make the true teachings of Christ available to every family through Catholic Schools.

There are no substitutes for Catholic schools as the teachings set forth by sacred Bible and Catholic traditions are woven into the fabric of the entire curriculum.

The entire Catholic community encourages parents to consider our Catholic schools as their first choice in education.

To facilitate this, our supporting parishes in partnership with business and private donors, annually reduce your tuition investment and support your decision to seek a Catholic education.

Assumption Catholic Schools serve all denominations. In fact over 15% of AHS students are from other denominations. A special rate is available for families who do not belong to a supporting parish.

**Dare to Compare!!**

Let's compare Childcare costs versus a school year tuition at Assumption Catholic Schools

Example: What would it cost to enroll three children in grades K-6 versus sending one child to childcare?

Tuition K-6 for year (1st student)	\$1,800
(2nd student)	\$1,675
(3rd student)	<b><u>\$1,500</u></b>

Three Students at Assumption K-6 **\$4,975**

Compared to

Childcare @ \$160/week x 35 wks = \$5,600

Parents and grandparents, you can actually enroll three children in Assumption Catholic Schools for less than the cost of one child in childcare!!!!

Imagine your children getting the academic and faith based education advantage for less money than the cost of a single child at a daycare center!!
